

Maker Faire® Detroit

July 27 -28, 2019

Call for Volunteers!

Greetings Makers!

The i3 Detroit maker-space is looking for volunteers who can make a commitment to help set up our organization's booth and run events at this year's Detroit Maker Faire, at the Henry Ford Museum in Dearborn, MI. (And help with Friday loading / Sunday unloading at our facility in Ferndale, MI.)

Volunteers who can commit and work at least two (2) shifts will be invited to participate and receive a Maker Faire weekend pass registered to them. (These cannot be given to / used by others.)

Please follow the link below to fill out the form and you'll be contacted within a few days of submission and again before the week of the Faire with your schedule.
