i3 Detroit guest sign-in sheet

Members: Please review the basics with every guest! Guests: Please know these basics:

SAFETY - is your responsibility! Please ask where glasses and other supplies are located, and feel free to BYO.

CLEANING UP - is everyone's job, we don't have a janitor. Thank you for leaving the space better than you found it!

COST - There's no cover-charge or day-fee like many places, but there's a donation-jar if you like. Or just grab a broom...

PARKING - If you parked in front of the neighbor's gate, you'll want to move your car before they make deliveries.

PROPERTY - We hate adding to the lost-and-found. If you want it back, please put your name on it!

DONATIONS - Please get approval (typically from the appropriate zone-warden) before bringing in physical stuff.

THANK YOU and welcome to i3 Detroit!
